

# Curious, collaborative and driven? Let's chat.

See yourself here.

At Goldman Sachs, we believe who you are makes you better at what you do. We seek out people with all types of skills, interests and experiences. Even if you have never imagined a career in finance, there's a place for you here.

For us, it's all about bringing together people who are curious, collaborative and have the drive to make things possible for our clients and communities.

Our Engineering organisation builds solutions to some of the most complex problems in the industry. Our commitment to best-in-class technology provides Goldman Sachs with a competitive edge.

Interested? We'd love to meet you – join us at our Africa & Caribbean Engineering Insight Event. Open to students currently studying in Africa & Caribbean countries graduating in 2025, this insight event will be held on two different days, allowing you to choose your preferred date.
